Work and Internship Experiences

Tulane University, Department of Psychology	2022-Present
<i>Teaching Assistant:</i> Introduction to Social Psychology, Experimental Psychology, and Psychology Beyond the Classroom	
Medpace, Cincinnati OH	2021 – 2022
<i>Regulatory Submissions Coordinator</i>	
<u>Description:</u> I managed the regulatory and ethical requirements for study activation and maintenance of 12 clinical trials across 109 research locations. As the liaison between the research locations and the trail sponsor (pharmaceutical or biotech companies), I organized weekly update reports, projected important long- and short-term timelines, reviewed and provided feedback for essential trial documents, and mentored/trained new hires.	
University of Dayton, Department of Psychology	2019 – 2021
<i>Research Assistant</i>	
<u>Description:</u> I managed and designed laboratory studies, organized participant information, created surveys, conducted literature reviews, recruited participants, and coded data.	
<i>Teaching Assistant:</i> Social Psychology, Life Span Development, Introduction to Statistics, Cognition, and Research Methods	
<u>Description:</u> I collaborated with professors to teach psychology and statistic classes. Some of my responsibilities involved preparing exam questions, providing feedback on papers and assignments, and monitoring students' progress.	
Student Success Center at Le Moyne College	2017 – 2019
<i>Tutor:</i> Psychology and Philosophy	
<u>Description:</u> I helped students tailor their studying techniques, practice discussing the material, and develop organized papers.	

Massachusetts Institute of Technology (MIT) Summer 2018***Intern at the Dalai Lama Center of Ethics and Transformative Values***

Description: I created written explanations that outlined the newly designed courses in the transformative ethics teaching program. I also compiled and made visualizations of data assessing values and emotions of the people partaking in their ethics programs. Lastly, I drafted a letter of intent for a grant request to initiate an international partnership.

Hutchings Psychiatric Center 2017 – 2018***Intern***

Description: I helped facilitate recreational group classes for patient transitioning back to the community after in-patient services. I also interacted with therapeutic groups, such as support groups for patients battling with substance abuse in addition to other mental illness diagnoses. Additionally, I assisted in the development of a researcher experiment designed to test a novel assessment tool for analyzing child behaviors.

Service

Graduate Studies Student Association Fall 2023 – Current
Psychology Department Representative | Tulane University

Grad Student Training Committee Fall 2023 – Current
Psychological Science Student Representative | Tulane University

GiST/BATS Program Evaluation Fall 2022
Research Assistant | Tulane University

Description: I assisted in developing a program evaluation survey to assess the effectiveness of STEM outreach programs in New Orleans. Additionally, I organized data collection and trained research assistants on data entry.

Psi-Chi National Honors Society 2017 – 2019
President | Le Moyne College

Description: I orchestrated events for student and faculty involvement in psychology club, developed and implemented semi-annual budgets for club activities, and organized annual trips to the Eastern Psychological Association Conference.

Contact Community Services Summer – Fall 2017
Volunteer | Syracuse, NY

Description: I partook in trainings for active listening and crisis intervention, then utilized these skills to deescalate crises and reflect on emotions through teleservices.

Big Brother/Big Sister Mentoring Program Spring 2017
Volunteer | Syracuse, NY

Description: I tutored elementary students from low socioeconomic backgrounds and orchestrated interactive games to encourage the development of students' social skills.

Shadow Hills Middle School

2017, 2018, & 2020

College Readiness Guest Speaker | Palmdale, CA

Description: I discussed topics involving higher education, provided students with tools for facing adversity in education, and challenged students to brainstorm educational goals they would like to pursue.
